

PRESS RELEASE Posted - 01/15 /2012 - The Copper Basin Race committee temporarily suspended the Copper Basin 300. The section of trail between Meier's Lake and Sourdough is impassible due to unusually deep snow conditions, high winds and bitter cold. All dog teams, handlers and race officials are to convene at Meier's Lake Roadhouse. All teams currently on the trail are expected back at Meier's lake by 7 am. As information becomes available updates will be provided.
