The 2004 Copper Basin 300 commenced at Pinneo Ball Park in Glennallen with mushers leaving the starting line at 2-minute intervals. Each musher's mandatory layover at Chistochina is then adjusted to compensate for their starting position.

Mushers are listed in their order of arrival at each checkpoint. Those scratching in a checkpoint have a departure time of "Scratched." A musher that scratched on the trail and was transported to a checkpoint via alternative means will have both an arrival time and departure time of "Scratched."

Please contact the Copper Basin 300 webmaster with any questions regarding this race data.
