

Why Sponsor?

The Copper Basin 300 helps to develop winter tourism in our region and brings international recognition to the Copper Basin. The event is organized and implemented entirely by volunteers.

Sponsorship provides exposure for your business in many ways. The more financial support you donate, the more **we promote your business** through advertising in newspapers, at the race start/finish, on radio spots and on cb300.com. **You are a vital part for the success of the race.** We rely on sponsorship to award the purse to dog mushers, as well as allowing the CB300 to be a qualifier for the Iditarod International Dog Sled Race. **Any donation**, whether through financial aid or volunteering, **would be greatly appreciated.**

Please contact 259-5898 for more information or to donate.
