Dear Copper Basin 300 Supporter:

Thank you for your generous donation to the Copper Basin 300 Sled Dog race in past years! The 2008 race was one of the most successful events in years, and we couldn't have done it without you! Your support has made it possible to offer prize money to race winners and to help in the basic operations of coordinating the race.

With your support we will strive to make this race even better in 2009. We realize that in our current economy times are difficult for everyone and funds are tight. The race is an important community event, helping to develop winter tourism in our region and bringing international recognition to the Copper Basin. It is also a vital part of Alaska's state sport, in that many long distance mushers use the event to qualify for the Iditarod or Yukon Quest races. Because this event is organized entirely by volunteers, your sponsorship is a very important component to making the race happen.

We have additional marketing opportunities in 2009 because the race is celebrating its 20th running, and it will be included as a featured event in the Alaska's 50th Anniversary of Statehood celebration calendar. This is a wonderful opportunity for your business gain recognition throughout the Copper Valley and the state as a sponsor of this important qualifying race. Based on your sponsorship, you will be promoted in radio and print advertising and at the race. All sponsors will be featured on the race website, www.cb300.com, which receives major traffic throughout the race when online spectators are tracking race progress.

Donations can be sent to the above post office box or may be made directly at Wells Fargo 0019207107. If you have any questions, please feel free to call Doug Vollman at 259-5898. Thank you for your consideration.

Sincerely,

The CB 300 Board of Directors
